3. **Delivery Location** means the Supplier's premises or other location where the Goods are to be supplied, as set out in the Order.
4. **Durable Medium** means paper or email, or any other medium that allows information to be addressed personally to the recipient, enables the recipient to store the information in a way accessible for future reference for a period that is long enough for the purposes of the information, and allows the unchanged reproduction of the information stored.
5. **Goods** means the goods advertised on the Website that we supply to you of the number and description as set out in the Order Quotation.
6. **Order** means the Customer's order for the Goods from the Supplier as submitted following the step-by-step process set out on the Website;

Goods

1. The description of the Goods is as set out on the Website, catalogues, brochures, or other form of advertisement. Any description is for illustrative purposes only and there may be small discrepancies in the size and colour of the Goods supplied.
2. All Goods which appear on the Website are subject to availability.
3. All Goods are delivered based on the quotation information we receive from you and will be manufactured exactly to your specified measurements (+/-2mm). We do not take responsibility for incorrectly measured products. All measurements are your responsibility.

Personal information

1. We retain and use all information strictly under the Privacy Policy.
2. We may contact you by e-mail or other electronic communication methods and by pre-paid post and you expressly agree to this.

Basis of Sale

1. The description of the Goods in our website does not constitute a contractual offer to sell the Goods. When an Order Quotation Request has been submitted on the Website, we can reject it for any reason, although we will try to tell you the reason without delay.
2. The Order process is set out on the Website. Each step allows you to check and amend any errors before submitting the Order Quotation Request. It is your responsibility to check that you have used the quotation process correctly.
3. A Contract will be formed for the sale of Goods ordered only when you receive an email from us confirming the Order (**Order Confirmation**). You must ensure that the Order Confirmation is complete and accurate and inform us immediately of any errors. We are not responsible for any inaccuracies in the Order placed by you. By placing an Order, you agree to us giving you confirmation of the Contract by means of an email with all information in it (i.e. the Order Confirmation). You will receive the Order Confirmation within a reasonable time after making the Contract, but in any event not later than the delivery of any Goods supplied under the Contract.
4. No variation of the Contract, whether about description of the Goods, Fees or otherwise, can be made after it has been entered into unless the variation is agreed by the Customer and the Supplier in writing.
5. We intend that these Terms and Conditions apply only to a Contract entered into by you as a Consumer. If this is not the case, you must tell us, so that we can provide you with a different contract with terms which are more appropriate for you and which might, in some respects, be better for you, e.g., by giving you rights as a business.

Price and Payment

1. The price of the Goods and any additional delivery or other charges is that set out on the Website at the date of the Order or such other price as we may agree in writing.
2. Prices and charges include VAT at the rate applicable at the time of the Order.
3. You must pay by BACS at the time of Order before the manufacturing of the Goods commences.

Delivery

1. We will deliver the Goods, to the Delivery Location by the time or within the agreed period or, failing any agreement, without undue delay and, in any event, not more than 30 days after the day on which the Contract is entered into.
2. In any case, regardless of events beyond our control, if we do not deliver the Goods on time, you can (in addition to any other remedies) treat the Contract at an end if:
3. we have refused to deliver the Goods, or if delivery on time is essential considering all the relevant circumstances at the time the Contract was made, or you said to us before the Contract was made that delivery on time was essential; or
4. after we have failed to deliver on time, you have specified a later period which is appropriate to the circumstances, and we have not delivered within that period.
5. If you treat the Contract at an end, we will (in addition to other remedies) promptly return all payments made under the Contract.
6. If you were entitled to treat the Contract at an end, but do not do so, you are not prevented from cancelling the Order for any Goods or rejecting Goods that have been delivered and, if you do this, we will (in addition to other remedies) without delay return all payments made under the Contract for any such cancelled or rejected Goods. If the Goods have been delivered, you must return them to us or allow us to collect them from you and we will pay the costs of this.
7. We do not generally deliver to addresses outside England and Wales, Scotland, Northern Ireland, the Isle of Man and Channels Islands. If, however, we accept an Order for delivery outside that area, you may need to pay import duties or other taxes, as we will not pay them.
8. You agree we may deliver the Goods in instalments if we suffer a shortage of stock or other genuine and fair reason, subject to the above provisions and provided you are not liable for extra charges.
9. If you or your nominee fail, through no fault of ours, to take delivery of the Goods at the Delivery Location, we may charge the reasonable costs of storing and redelivering them.

10. The Goods will become your responsibility from the completion of delivery or Customer collection. You must, if reasonably practicable, examine the Goods before accepting them and report any damaged or missing items as soon as possible but no later than 48 hours after delivery.

 - c. conform to their description.
3. It is not a failure to conform if the failure has its origin in your materials.
4. We will immediately, or within a reasonable time, give you the benefit of the free guarantee given by the manufacturer of the Goods. This guarantee will take effect at the time the Goods are delivered and will not reduce your legal rights.

Circumstances beyond the control of either party

1. In the event of any failure by a party because of something beyond its reasonable control:
 - a. the party will advise the other party as soon as reasonably practicable; and
 - b. the party's obligations will be deferred so far as is reasonable, provided that that party will act reasonably, and the party will not be liable for any failure which it could not reasonably avoid, but this will not affect the Customer's rights relating to delivery.

6. For any enquiries or complaints regarding data privacy, you can e-mail: info@airtechnologyproducts.co.uk.

Excluding liability

1. The Supplier does not exclude liability for: (i) any fraudulent act or omission; or (ii) for death or personal injury caused by negligence or breach of the Supplier's other legal obligations. Subject to this, the Supplier is not liable for (i) loss which was not reasonably foreseeable to both parties at the time when the Contract was made, or (ii) loss (e.g. loss of profit) to the Customer's business, trade, craft or profession which would not be suffered by a Consumer – because the Supplier believes the Customer is not buying the Goods wholly or mainly for its business, trade, craft or profession.

Governing law, jurisdiction, and complaints

1. The Contract (including any non-contractual matters) is governed by the law of England and Wales.
2. Disputes can be submitted to the jurisdiction of the courts of England and Wales or, where the Customer lives in Scotland or Northern Ireland, in the courts of respectively Scotland or Northern Ireland.
